

DON ' T TAKE OUR WORD FOR IT

"My wife and I have been clients of Bill Butler for 7 years, both for personal and business coverage, and I didn't know what I was missing! He always provides proactive advice, and their advocacy during claims has been stellar. I highly recommend them to my friends and clients."
Eric Gibson - Minneapolis, MN

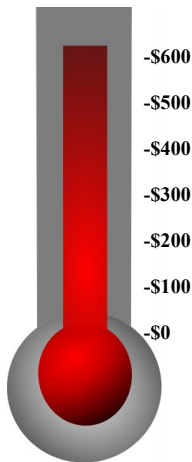

"Great customer service, Bill's attention to the details is so helpful. He is so great at explaining and going through exactly what you need and also offering options on unique situations! I recommend him!"
Chris Moen - Bloomington, MN

"I was connected to Dan and his team about a year ago and it has been nothing but great. He has saved me money on my auto/renter insurance along with giving me excellent customer service. If I have questions he is always easy to reach and always gives an answer. If you want someone you can truly trust I would give Dan a call at Butler and Associates. He really does sell piece of mind!!"
Matthew Erlandson

"Bill and his family team really know insurance. I don't want to guess how much I need on some online site and then worry if I did the right thing. They know what I need and can advise me as to how much I need or don't need. They don't over sell me but keep me protected. I don't know insurance and I don't want to research insurance. That is why they give me peace of mind....I'm covered!"
Dee Larson - Northfield, MN 12/11/14

"I am a Real Estate Professional and I have had the honor of referring my clients to Dan Butler for the past two years. Butler & Associates/Dan Butler is always responsive and provides excellent advice and insurance coverage/rates. I highly recommend Butler & Associates."
